Schofield Notes

(Special Star-Bulletin Correspondence)
SCHOFIELD BARRACKS, March 21.
—Communication by rail between Honolulu and Lihue was interrupted yesterday afternoon by the track on the Wahiawa branch being washed out by the heavy rains. A number of Army ladies were marooned in the city and could not return to the post until late in the evening. The States mail and evening papers from Honolulu were long overdue.

Maj. Hugh D. Wise, 25th Infantry, has, by direction of the president, been detailed to the Quartermaster Corps with station at Honolulu. He has been directed to report to the department quartermaster of the Hawaiian department for duty.

Capt. Charles J. Naylor, 4th Cavalry, now in the States, has been granted a leave of absence for one month on account of physical disability.

The officers who arrived on the last transport and were assigned to Schofield Barracks for duty have been assigned to organizations as follows: Maj. Frederick T. Arnold, 4th Cavalry, to command of the second squadron of that regiment; Capt. Joseph I. McMullen, 4th Cavalry, to Troop G; Capt. Henry C. Pratt, 4th Cavalry, to Troop I; Maj. Hunter B. Nelson, 25th Infantry, to command the first battalion of that regiment; Capt. Merrill B. Spaulding, 25th Infantry, to Company G, and 1st Lieut. William R. Schmidt, Infantry, is attached to Company F, 32nd Infantry. Capt. McMullen takes the troop recently commanded by Capt. Varlen D. Dixon, 4th Cavalry, who has been relieved from duty with Troop G.

First Lieut. Thomas G. Spencer, formerly of the 2nd Infantry, who left Honolulu a month ago for the mainland, has been detailed for duty at the Pacific branch of the United States Disciplinary Barracks at Alcatraz Island, San Francisco.

Two new special courts martial have been ordered for the artillery regiments at Lihue to try cases referred to them by their respective regimental commanders. The detail for the 1st Field Artillery court is: Capt. Dennis H. Currie, 1st Lieut. William McCleave, Charles D. Daly, Albert K. C. Palmer, Bertram Frankenberg and Archibald V. Arnold, judge advocate. For the 9th Field Artillery court: Capt. Henry S. Kilbourne and George H. Paine, and 1st Lieut. Oliver A. Dickinson and David E. Cain, judge advocate.

Capt. Charles A. Meals, 32nd Infantry, who has been on duty with his company at Pearl Harbor, has been ordered to Schofield Barracks to engage in work connected with the Signal Corps.

Capt. Merrill E. Spaulding, 25th Infantry; Capt. Dennis H. Currie, 1st Field Artillery; Capt. Clarence R. Day, 4th Cavalry, and 1st Lieut. Howell M. Estes, Cavalry, have been detailed as additional members of court martial now in session at this post.

Fort Shafter Notes

(Special Star-Bulletin Correspondence)
FORT SHAFTER, March 22.—Word has been received through the New York Times that 1st Lieut. Bernhard K. Stumberg, Medical Reserve Corps, will be relieved from duty in the Hawaiian department, when his services can be spared and upon arrival at his home will then report, by telegraph, to the adjutant general of the army.

Capt. Arthur Treadwell Dalton, retired, is assigned to active duty as an acting quartermaster. He will be stationed at Fort Slocum, N. Y., and will accompany recruits to a point nearest Oglethorpe, Ga., then proceed to Fort Oglethorpe for duty as quartermaster.

The following enlisted men will be detailed on special duty in the Quartermaster Corps, Fort Shafter, with a view of determining their qualifications for transfer to the Quartermaster Corps to fill vacancies now existing: Private Rollie T. Dubin, Co. H, 2nd Inf.; Private George H. Garborski, Co. H, 2nd Inf.; Private Royal C. Kenison, Co. H, 2nd Inf., and Private Harry H. Gordon, Co. M, 2nd Inf.

The first and second battalions, 2nd Inf., were reported to Lieut. Col. William R. Dashiell, Inf., president of the examining board, on the main parade grounds at 7:30 a. m., March 21, 1917.

One of the heaviest rain falls of years occurred on Monday of this week when it poured in torrents all day and the best part of the night, and seemed as if, literally, the heavens had opened. There were many washouts on the roads and walks, between the main post and the cantonment, the recent walk built by the Quartermaster Corps being washed away and necessitating being entirely rebuilt. Sewers overflowed, basements were flooded and the plumbers and other workmen have been kept busy repairing the damage wrought by the storms.

Hair Becomes Charming, Wavy

Every Bit of Dandruff Disappears and Hair Stops
Coming Out

For 25 cents you can save your hair. In less than ten minutes you can double its beauty. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and charming as a young girl's after applying some Danderine. Also try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter and just try it.—Adv.

NOVEL JUGGLERS ARE TOP LINERS

With the Littlejohns, jugglers, with an act that is different from any similar act on the stage, the Bijou will open with a complete new bill-tonight. Beside the Littlejohns, the principal offering being "Phantom Fortune," in which Barney Bernard assumes the leading role.

The juggling act of the Littlejohns has been patented because of the original paraphernalia used. Frank Littlejohn worked for years designing the apparatus for the act and after he had completed his work discovered that he had created something entirely new.

Persons familiar with the legitimate stage have been familiar with the work of Barney Bernard, the famous Hebrew comedian who is featured in the Vitagraph feature, "Phantom Fortune." The program includes the latest Animated Weekly and two additional reels of good comedy.
